Model 50 - Application Information Required

1. Duty Class of crane: _____
2. Capacity of crane: _____
3. Number of sheaves: _____
4. Sheave diameter: _____
5. Sheave spacing (X): _____
6. Wire rope diameter: _____
7. Maximum degree of rotation required: _____

8. Operating voltage: _____
9. Furnish load data:
 - a. Weight _____
 - b. Length _____
 - c. Width _____
 - d. Height _____
 - e. Shape _____

10. Will hook be outdoors?

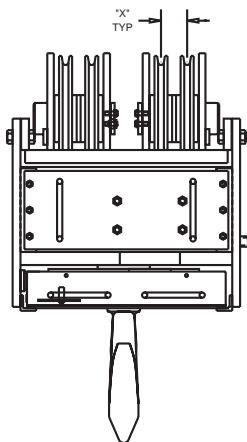

- Yes No

11. Operation controlled from:

- Cab
 Pendant
 Remote

12. Load Scale Required?

- Yes No
